What do we learn about the food / health at

What do Google get in return for treating their employees so well?

Would you like to work for a company like this? Why / Why not?

What problems might happen with this set up at Google?

Pay is key reason for changing jobs, says survey

The prospect of better pay has **1.** _____ job satisfaction as the main reason for moving to another job, a survey suggests. 1,050 people, **2.** _____ over half of the 2,000 people surveyed by the Chartered Institute of Personnel and Development (CIPD), said a **3.** _____ in wages and benefits was the key reason for changing employer. In the same poll a year ago, job satisfaction was the main reason. That is second on the list in this year's survey. "Because of increased global financial problems, people are no longer looking for a **4.** _____ workplace environment, rather a job with a high **5.** _____" said Ben Willmott, from the CIPD. "Besides being more likely to want to leave for more pay elsewhere, workers with **6.** _____ difficulties are also more likely to report being **7.** _____ stress at work and are typically less **8.** _____ with their jobs "It is, therefore, in employers' interests to support employees in tough times through ensuring line managers are **9.** _____ with effective people management skills and by providing advice and support on debt management and financial planning."
